Welcome to GWork for Public Health

The jobs database platform for the Milken Institute School of Public Health Students and Alumni.

- You are automatically registered for GWork for Public Health four to six weeks before you begin. Your login information is provided below. Be sure to use your full Username when logging in.
- If you need to reset a password, use the “Forgot Password” option at the login screen.
- URL: https://publichealth-gwu-csm.symplicity.com/
  Username: YourNetID@gwmail.gwu.edu
  Password: Use the “Forgot Password” option to set a new password

Here are some helpful tips for navigating the menu bar:

- **Profile:** Manage and update your Personal and Academic profile. Please make certain that your contact information and employment status are correct and up-to-date.

- **Documents:** Upload your resume, cover letters, etc. to be stored in GWork for Public Health.

- **Job Opportunities:** To search for public health jobs only you will need to set specific search criteria. To do so, click on Advanced Search and then be sure to select Target School ‘Milken Institute School of Public Health,’ found at the bottom of the page. This will populate postings specifically targeting public health students and alumni.

- **Events:** View & RSVP for Career Service events.

- **Make a Career Services Appointment:** ‘Request a Career Coach Appointment’ under the Shortcuts section on the bottom right. Here you can search specific days & times that are available and reserve time to meet with a GWSPH Career Counselor, in person, online, or over the phone.

For any technical issues or questions, please email us at: gwsphcareer@gwu.edu.
