

CURRICULUM VITAE

DEANNA LOUISE KERRIGAN

Updated April 15, 2021

PERSONAL DATA

OFFICE: George Washington University
Milken Institute School of Public Health
Department of Prevention and Community Health
950 New Hampshire Avenue
Washington, D.C. 20052.
E-mail: dkerrigan@gwu.edu

EDUCATION AND TRAINING

Doctor of Philosophy (PhD), 2000. Johns Hopkins University
Bloomberg School of Public Health
Department of International Health
Social and Behavioral Interventions
Baltimore, Maryland.

Master of Public Health (MPH), 1992. Tulane University
School of Public Health and Hygiene
Department of International Health
Health Communication and Education
New Orleans, Louisiana.

Bachelor of Arts (BA), 1991. Emory University
College of Arts and Sciences
Depts. of Political Science and Spanish
Atlanta, Georgia.

PROFESSIONAL EMPLOYMENT

Professor & Chair
Department of Prevention and Community Health
Milken Institute School of Public Health
George Washington University

Washington, DC
2020-present

Professor & Director

Center on Health, Risk & Society
Department of Sociology
American University
Washington, DC
2018-present (continues as adjunct professor)

Associate Professor

Department of Health, Behavior, and Society (Joint Appointment in International Health)
Bloomberg School of Public Health
Johns Hopkins University
Baltimore, Maryland
2011-2017 (continues as adjunct professor)

Program Officer

Sexuality and Reproductive Health and Rights Unit
Knowledge, Creativity and Freedom Program
The Ford Foundation
Rio de Janeiro, Brazil & New York City, New York
2007-2010

Assistant Professor

Department of International Health
Social and Behavioral Interventions Program
Bloomberg School of Public Health
Johns Hopkins University
Baltimore, Maryland
2000-2007

Study Coordinator

Department of International Health
Disease Prevention and Control Program
Bloomberg School of Public Health
Johns Hopkins University
Baltimore, Maryland
1999-2000

Technical Assistant

Institute for International Programs
Johns Hopkins University
Baltimore, Maryland
1995-1996

Program Coordinator

Counseling, Testing and Support Services
HIV/AIDS Bureau
Massachusetts Department of Public Health
Boston, Massachusetts
1994-1995

Project Director

San Pedro Community Health Initiative
Aesculapius International Medicine
Solola, Guatemala
1993-1994

HONORS AND AWARDS

- 2017-8 William Fulbright Foreign Fellowship, Faculty Research Award, Brazil
- 2015-6 Departmental Mentoring and Teaching Award. Health, Behavior & Society Student Group, Johns Hopkins Bloomberg School of Public Health
- 2003-6 National Institute on Minority Health and Health Disparities (NIMHD) Health Disparities Research Loan Repayment Award
- 2004-5 Departmental Teaching Award. International Health Student Group Johns Hopkins Bloomberg School of Public Health
- 2003-4 Advising, Mentoring and Teaching Recognition Award (AMTRA) Johns Hopkins Bloomberg School of Public Health
- 1999-2000 New and Minority Investigator Award
Johns Hopkins Fogarty AIDS Training and Research Program
- 1998-9 William and Flora Hewlett Foundation Fellowship
The Johns Hopkins University Population Center
- 1997-8 William Fulbright Foreign Scholarship, Doctoral Dissertation Award, Dominican Republic
- 1996-7 Department of International Health Tuition Scholarship
Johns Hopkins Bloomberg School of Public Health
- 1992 Semi-finalist, Secretary's Award for Innovations in Health
United States Department of Health and Human Services

GRANTS AWARDED

Kerrigan (PI) 04/01/2016 – 03/31/2022
NIMH (R01MH110158)
Stigma, Cohesion and HIV Outcomes in Vulnerable Women Across Epidemic Settings
This longitudinal study will establish the role of social determinants, including stigma and social cohesion, along the pathway to viral suppression among FSW living with HIV across geographic and epidemic settings, to inform tailored and effective programs.
Role: Principal Investigator.

Kerrigan (PI) 12/19/2016 – 06/30/2021
ViiV Healthcare
Formative Research on LAI ART and Dual Regimen ART in US, Spain and Argentina
We will conduct formative research on PLHIV and provider perspectives on long-acting injectable (LAI) and dual regimen ART among Phase III trial participants in the US, Spain and Argentina. We will also assess the acceptability of LAI PREP and ART among women in the US in collaboration with the Women’s Interagency HIV Study (WIHS).
Role: Principal Investigator.

Barrington/Kerrigan/Wohl (MPI)
NIMH (R01MH118955) 05/15/2019-02/29/2024
Patient and Provider perspectives on long acting injectable ART
This application seeks to conduct formative mixed methods research with PLHIV and their clinical care providers regarding the feasibility and acceptability of LAI ART in clinics in the United States and to develop a shared clinical decision-making tool to facilitate treatment discussions between patients and providers.
Role: Co-Principal Investigator.

Greenberg (PI) 06/01/2020-05/31/2025
NIAID (P30AI117970)
DC Center for AIDS Research
This project consists of the administrative core, along with developmental, clinical, epidemiology and biostatistical core, and social and behavioral science cores as well as scientific working groups to coordinate the HIV/AIDS research effort of the DC CFAR.
Role: Executive Committee Member, Social and Behavioral Core Senior Advisor.

Golub (PI) 04/01/2018 - 03/31/2023
NIAID (R01AI131796)
PREVINE-TB: Evaluating the implementation of new strategies for preventive TB among PLHIV in Brazil
The objective of this proposal is to assess the implementation by the Brazilian National Tuberculosis Program of a novel strategy to prevent TB among PLHIV. The strategy will utilize a new test for diagnosing TB infection-QFT+, 12 weekly doses of 3HP and a comparison of innovative adherence intervention strategies for administering 3HP.

Role: Co-Investigator.

Golub (PI) 06/01/2020-05/31/-2025
NIAID (R01AI43748)

TB AfterMath: This study will assess comparative effectiveness and cost-effectiveness of two tuberculosis (TB) active case finding strategies (ACF) among recently treated TB patients to detect recurrent TB. The strategies are household ACF (HHACF) and ACF by periodic telephonic interviews (TACF) followed by HH visits for HHs reporting any symptoms telephonically. We are working in close collaboration with India's national TB program and assess acceptability and feasibility and determine resources for scale-up.

Role: Co-Investigator.

Hoffmann (PI) 08/09/19-08/08/2022
NIMH R34MH118998

Home link: Post hospital care to reduce HIV mortality in South Africa

This application proposes to determine the impact of in-home post-discharge intervention for persons living with HIV (PLWH) on mortality. A pilot randomized clinical trial will compare the 6-month mortality of 120 acute care hospital inpatients living with HIV randomly assigned to the intervention or usual care. A mixed methods approach will be used to assess the feasibility, acceptability, and impact of the intervention.

Role: Co-Investigator.

GRANTS CONCLUDED

Kerrigan (PI) 09/01/2019-08/31/2020
NIMH (Supplement to MH110158)

Integrating PrEP into an effective community-driven model of HIV prevention among Tanzanian women at high risk

This project will conduct a two-community randomized trial of the feasibility and initial effects of integrating community-driven PrEP engagement into the Project Shikamana combination HIV prevention model among female sex workers in Iringa, Tanzania.

Role: Principal Investigator.

Kerrigan (PI) 04/01/2019-03/31/2021
NIMH (Supplement to MH110158)

The role and mechanisms of mobility on care and treatment outcomes among vulnerable women living with HIV in the Dominican Republic

This is a diversity supplement for Dr. Maria de Jesus of American University to conduct mentored research on the social context of mobility and its influence on HIV outcomes among female sex workers living with HIV building on the existing cohort in that setting.

Role: Principal Investigator.

Kerrigan (PI) 10/01/2018- 09/30/2019
NIMH (Supplement to MH110158)

Social Dynamics of HIV among Transgender Women in the Dominican Republic

This is a cross-sectional study to assess the role of socio-structural factors linked to ART adherence and viral suppression among transgender women sex workers living with HIV in the DR. We will also conduct qualitative research with a sub-study of participants.
Role: Principal Investigator.

Kerrigan (PI) 05/01/2017 – 04/30/2019
ViiV Healthcare
We will conduct secondary data analysis on women at heightened risk of HIV and living with HIV in the Dominican Republic and Tanzania from ongoing cohorts in each epidemic and geographic setting to identify candidates for injectable PrEP & LAI ART.
Role: Principal Investigator.

Kerrigan (PI) 07/25/2014 – 06/30/2018
NIMH/NIH (R01MH104044)
Community-Based Combination HIV Prevention in Tanzanian Women at Heightened Risk
The study assessed the feasibility, acceptance, safety, pathways, and initial effectiveness of community-based combination HIV prevention among female sex workers in sub-Saharan Africa. Results will inform an appropriately powered Phase III RCT as warranted and the programmatic scale up of comprehensive HIV services.
Role: Principal Investigator.

Kerrigan (PI) 09/01/2014 – 12/31/2019
USAID (OAA-14-00026)
Project SOAR (Supporting Operational AIDS Research)
This project will include a global operations research portfolio (\$78 million ceiling) for HIV prevention, treatment and care in lower and middle-income countries. Studies will include formative, process and impact evaluation modalities. Parent award is to the Population Council (Pulerwitz, overall PI), with JHU/AU acting as collaborating partner.
Role: JHU PI from 09/15/2014 until 12/31/2017; AU PI 01/01/2018-12/31/2018.

Kerrigan (PI) 04/01/2015 – 06/30/2017
ViiV Healthcare
Formative Research on LAI PREP & ART
We conducted formative qualitative research to assess the feasibility and acceptability of long acting injectable (LAI) forms of pre-exposure prophylaxis (PREP) and antiretroviral therapy (ART) in the context of Phase II clinical trials in both the US and Spain.
Role: Principal Investigator.

Sherman (PI) 07/01/2016 – 12/31/2017
NIAID/NIH (R01DA041243)
This grant will evaluate the effectiveness of a comprehensive community-based combination HIV prevention intervention to reduce HIV/STI risks and infections among female sex workers (FSWs) in Baltimore, Maryland. The intervention's effects will be measured on HIV risk behaviors and cumulative HIV/STI incidence over 18 months.
Role: Co-Investigator.

Dowdy (PI) 04/01/2015 – 12/31/2017
NIAID/NIH (R01AI116787)
Comparative Effectiveness/Implementation of TB Case Finding in Rural South Africa
This is a comparative effectiveness study of 3 case finding strategies in rural South Africa: facility-based TB screening of all clinic attendees, incentive-based tracing of contacts of newly diagnosed TB cases, and household contact tracing. We will evaluate effectiveness, acceptability, feasibility and cost-effectiveness of these strategies.
Role: Co-Investigator.

Chaisson (PI) 05/01/2012-12/31/2017
The Johns Hopkins Center for AIDS Research
NIAID/NIH (P30AI094189)
This project consists of the administrative core, along with clinical, laboratory and prevention cores and scientific working groups to coordinate the HIV/AIDS research effort of the Johns Hopkins University.
Role: Co-Director of the Prevention Core.

Sibinga (PI) 04/01/2013- 12/31/2017
Improving Treatment Adherence in HIV-Positive Youth Through Mindfulness Training
NCAAM/NIH (R01AT007888)
The proposal builds on preliminary results from the R21 and will determine if mindfulness-based stress reduction (MBSR) improves HIV medication adherence and self-regulation using a RCT of MBSR vs. an active control program vs. usual care.
Role: Co-Investigator.

Golub (PI) 07/01/2013-12/31/2017
Quantiferon Gold Test for Detecting TB Infection in HIV/AIDS Patients in South Africa
NIAID/NIH (R01AI095041)
This is a cluster randomized trial comparing the time to known latent TB status among HIV infected patients receiving QGIT or TST for detection of latent TB.
Role: Co-Investigator.

Golub (PI) 07/01/2014 – 06/30/2015
Patient and Provider Preferences for Preventive Therapies in HIV Infected Persons
NIAID/NIH (Supplement)
This study will assess TB/HIV attitudes and behaviors among PLHIV in South Africa to better tailor the delivery of integrated TB/HIV screening, diagnosis and treatment.
Role: Co-Investigator.

Kerrigan (Co-PI) 01/01/2015-12/31/2015
UNAIDS/TSF
Tanzania Investment Case
The JHU team will conduct epidemiologic, modeling and economic analysis to synthesize existing data and project the most strategic investments in HIV prevention, treatment and care for the Republic of Tanzania.
Role: Co-Principal Investigator.

Kerrigan (PD) 10/1/2008-03/31/2014
Project Search: Research to Prevention (R2P)
United States Agency for International Development (USAID) (GHH-I-00-07-00032-00)
The goal of this project was to conduct operations research studies to inform improvements in the quality and the effectiveness of HIV prevention policies and programs particularly in sub-Saharan Africa. There were 30 studies in 18 countries.
Role: Project Director.

Kerrigan (Co-PI) 04/06/2011-3/31/2012
The Global Epidemics of HIV among Sex Workers
The World Bank
The major goals of the project are to review the public health evidence regarding the burden and response to HIV among sex workers in lower- and middle-income countries and model the impact of scale-up of different combinations of HIV prevention, treatment and care interventions on HIV incidence at a population level.
Role: Co-Principal Investigator.

Kerrigan (PI) 09/28/2001-08/31/2007
Gender, Environment and Adolescent Sexual Risk Behavior
NIMH/NIH (K01MH064391)
The major goals of this project were to assess the contribution of culturally defined gender roles and community social capital on consistent condom use and STI among adolescents in Baltimore, Maryland.
Role: Principal Investigator.

Kerrigan (Co-PI) 04/15/2003-10/15/2006
Understanding Local Perspectives of the Introduction of an HIV Vaccine in the DR.
Fred Hutchinson Cancer Research Center (HVTN)/NIH
The major goals of this study were to qualitatively explore community understandings of and perspectives on the introduction of an HIV vaccine and community participation in feasibility trials and efficacy studies to be conducted in the Dominican Republic.
Role: Co-Principal Investigator.

Sweat (PI) 08/1/2002-07/31/2007
Global Leadership, Research, and Development Responsibilities in HIV/AIDS
Population Council/USAID
The major goals of this project were to develop and implement behavioral research studies in collaboration with the Horizons Project of Population Council and its partners. My participation focused on the development and implementation of studies related to integrating care and prevention among PLHIV in Brazil and FSWs in Brazil and the DR.
Role: Co-Investigator.

Kerrigan (PI) 04/1/2001-3/31/2003
Assessing the impact of access to anti-retroviral therapy for the treatment of HIV/AIDS on HIV-related protective behavior in Rio de Janeiro, Brazil.
Johns Hopkins Center for AIDS Research (CFAR)/NIH

The major goals of this project were to assess the potential influence of HIV treatment optimism on the protective behavior of PLHIV and those at risk for HIV in Brazil.

Role: Principal Investigator.

Kerrigan (Co-PI) 1/15/1999-07/31/2002

Testing the efficacy of two approaches to 100% Condom Use in the female sex industry of the Dominican Republic.

Horizons/Population Council/USAID

The major goals of this project were to test the efficacy of two models of 100% condom use promotion in the female sex industry of the Dominican Republic, a solidarity-based model and a solidarity plus government policy and regulation model.

Role: Co-Principal investigator.

Kerrigan (PI) 1/01/1998-1/31/2000

Individual, relational and environmental-structural determinants of condom use among female sex workers in the Dominican Republic.

Fogarty AITRP Grant/Johns Hopkins University/NIH

The major goals of this project were to identify individual, relational and environmental-structural determinants of condom use among female sex workers and their partners.

Role: Principal Investigator.

PUBLICATIONS (153 peer-reviewed publications)

Concannon, T., Kerrigan, D. and K, Schoch. Integrating Traditional Chinese Medicine into Local Public Health Program Planning. HIV/AIDS and Chinese Medicine. New York, NY. June 1995 (Oral Presentation).

UNIVERSITY SERVICE

George Washington University (GWU)

Member, Executive Committee for Department of Prevention and Community Health.

Member, Executive Committee for Milken Institute School of Public Health.

American University (AU)

Lead, Master of Arts in Sociology Research and Practice, Admissions Committee, Department of Sociology, 2018-2019.

Member, Master of Arts in Sociology Research and Practice, Admissions Committee, Department of Sociology, 2018-2019.

Member, Self-Study Committee, Department of Sociology, 2019-2020.

Johns Hopkins Bloomberg School of Public Health (JHSPH)

Member, Institutional Review Board (IRB), 2011- 2017.

Member, Department of International Health Chair Search, 2012.

Member, Internal Review Committee, Department of International Health, 2011.

Member, Admissions Committee, Department of Health, Behavior and Society. 2011-7.

Member, Curriculum Committee, Department of Health, Behavior and Society. 2011-2.

Member, Exam Committee, Department of Health, Behavior and Society. 2011-2017.

Member, Self-Study Committee, Department of International Health, School of Public Health, 2006.

Member, Sommer Scholars Selection Committee, Bloomberg School of Public Health, 2006.

Member, Admissions Committee, Department of International Health, School of Public Health, 2003-6

Member, Curriculum Committee, Department of International Health, School of Public Health, 2003-6

Member, Scholarships and Awards Committee, Department of International Health, School of Public Health, 2003-6

PROFESSIONAL SOCIETIES MEMBERSHIP AND LEADERSHIP

Society Membership and Leadership

Member, International AIDS Society

Member, American Public Health Association

EDITORIAL PEER REVIEW ACTIVITIES

Study Section Peer Review Activities

2021 Member, Standing Study Section , NIH/CSR
Population and Public Health Approaches to HIV/AIDS (PPHA)

2019 Temporary Member, Standing Study Section, NIH/CSR
Population and Public Health Approaches to HIV/AIDS (PPHA)

2019 Reviewer, Member Conflicts Panel, NIHCSR

AIDS and AIDS-Related Applications

- 2017-2019 Reviewer, Special Emphasis Panel, NIH/CSR
Center for AIDS Research (CFAR) grants
- 2015- Reviewer, Special Emphasis Panel ZRG1/AARR, NIH/CSR
HIV/AIDS related implementation science applications
- 2014 Reviewer, Special Emphasis Panel, NIH/CSR
Pre- and post-doctoral fellowships applications for AIDS training
- 2002 Reviewer, NIMH RFA on HIV/STD Prevention Programs for Adolescents.
- 2001 Reviewer, NIMH RFA on Gender and HIV Risk

Editorial Board Membership and Roles

Editor, Supplement on Social Determinants of HIV, AIDS & Behavior. 2021.

Editorial Board Member, AIDS & Behavior. 2020-

EXTERNAL ACTIVITIES/PARTNERSHIPS

Consultations

- 2016 University of North Carolina, Chapel Hill/USAID, The Linkages Project. Systematizing the *Abriendo Puertas* model in the Dominican Republic.
- 2014-15 ViiV Healthcare, London, England. Formative Research on the Feasibility and Acceptability of Long Acting Injectables (LAI) for PrEP and ART.
- 2010-11 World Health Organization, Geneva, Switzerland
Systematic Review of Community Empowerment HIV Prevention Interventions with Female Sex Workers in Low-Middle Income Countries.
- 2009 Academy for Educational Development/USAID, Dominican Republic HIV Prevention Formative Research Study Design for Male Sex Workers.
- 2007 The Ford Foundation, Rio de Janeiro, Brazil
Sexuality and Reproductive Health Portfolio Development.
- 2006 Roche, CA., San Salvador, El Salvador
Environmental and Social Impact Assessment of Transnational Highway on HIV/AIDS Transmission Dynamics.
- 2003 World Health Organization, Geneva, Switzerland.
HIV Prevention and Sex Work Toolkit Development Team Member.
- 2003-5 Population Council/USAID, Baltimore, MD/ Rio de Janeiro, Brazil. Design and Conduct of Intervention Research with Female Sex Workers.
- 2002-5 Fred Hutchinson Cancer Research Center, Dominican Republic.
Preparation and implementation of Phase II HIV Vaccine Trial (HVTN Protocol 903) among Female Sex Workers and STI clinic clients.
- 2001 Horizons/Population Council/USAID, Bangkok, Thailand.
Develop International Consultation on Sex Work and HIV Prevention.
- 2001-2 Horizons/Population Council/USAID, Kolkata, India.
Conduct case study: Assessing contribution of community development among female sex workers on HIV vulnerability in Kolkata, India.
- 1998-9 Horizons/Population Council/USAID, Kingston, Jamaica.
Prepared best practices background paper for UNAIDS and final report on findings from International Consultation on Peer Education and HIV.
- 1998 Horizons/Population Council/USAID, Dominican Republic.
Design and conduct of intervention research: Testing and comparing the impact of two approaches to a 100% Condom Use Program.

- 1998-9 CoffeeKids, Inc., Solola, Guatemala.
Conducted process and impact evaluations of two micro-credit/micro-enterprise programs in rural Guatemala among indigenous women.
- 1997 Centro de Orientación e Investigación Integral, Dominican Republic.
Conducted impact evaluation of a USAID supported Democratic Initiatives Program: Sex Workers, Rights and Democratic Participation.
- 1996-7 AIDSCAP/Family Health International, Dominican Republic
Design and conduct of formative research to adapt a 100% Condom Use Program in female sex work establishments in the Dominican Republic.
- 1996 Department of Health and Human Services, Rockville, MD.
Assisted in the design and conduct of a study on Medicaid managed care demonstration waivers in nine states in the United States.
- 1992 Tulane University/USAID, New Orleans, Louisiana.
Developed data collection instruments for a quality of care evaluation of family planning services delivered by the Moroccan Ministry of Health.
- 1992 Tulane University/USAID, Thies, Senegal.
Design and conduct of study on socio-cultural factors surrounding prenatal care, family planning, and postpartum depression services utilization.
- 1992 Tulane University/USAID, New Orleans, LA.
Developed training materials and co-taught one month training on Maternal Child Health for educators from Ecuador Ministry of Health.
- 1991 Homeless Multi-Service Center. New Orleans, LA. Developed a grant proposal funded by the State of Louisiana to provide mobile mental health services for homeless adults and children.
- 1991 International Association Against Torture. San Salvador, El Salvador.
Human Rights Field Assessment regarding Salvadoran Civil War.

TEACHING/LEARNING PORTFOLIO

Educational Leadership

Lead, Doctoral Student Seminar Series, Department of Health, Behavior and Society. Johns Hopkins Bloomberg School of Public Health. 2012-2017.

Lead, Doctoral Student Seminar Series, Social and Behavioral Interventions Program, Department of International Health. Johns Hopkins Bloomberg School of Public Health. 2002-2007.

Lead, Masters Student Seminar Series, Social and Behavioral Interventions Program, Department of International Health. Johns Hopkins Bloomberg School of Public Health. 2000-2002.

Courses Taught

Social Research Methods: Research in Health and Society. Department of Sociology. American University. Fall semester 2018. Approximately 10 students per semester. For MA students only.

Health, Behavior and Society Doctoral Seminar: Terms 1 and 2: 2012-3; Terms 1-4: 2013-4; 2015-6; 2017-8. Johns Hopkins Bloomberg School of Public Health. Approximately 10 students per term. For HBS PHD students.

Social and Behavioral Interventions Program Seminar I and II: 2003-5. Johns Hopkins Bloomberg School of Public Health. Approximately 20 students per term. For SBI MHS and SBS MPH students only.

Graduate Seminar in Behavior, Change and Health: 2004-6. Johns Hopkins Bloomberg School of Public Health. Approximately 10 students per term. For SBI PHD students only.

Graduate Seminar in Medical Anthropology and Sociology Theory: 2001-3. Johns Hopkins Bloomberg School of Public Health. Approximately 10-15 students per term. For SBI students only.

Special Studies at JHSPH (primary instructor):

- 1-Katherine Andrinopoulos, Gender and HIV Prevention, 2004
- 2-Amnesty LeFevre, Migration, Sex Work and HIV Prevention, 2001.
- 3-Clare Barrington, Sex Work and HIV Prevention in the Dominican Republic, 2002.
- 4-Jessica Greene, Redefining sex work and HIV prevention, 2002.
- 5-Caitlin Kennedy, Empowerment and Public Health, 2005.
- 6-Marissa Mika, HIV/AIDS Activism and Access to Treatment in South Africa, 2006.
- 7-Enisha Sarin, The Social Context of Female Injection Drug Use in India. 2006.
- 8-Sarah Kessler, Doctoral dissertation proposal development, 2006.
- 9-Leilani Francisco, Doctoral dissertation proposal development, 2006.
- 10-Tonia Poteat, Sexuality and sexual risk behavior among transgender persons. 2010.
- 11-Sarah Beckham, Sex work, HIV prevention and reproductive health. 2011.
- 12-Dana Cernigliaro, Sex work, social capital and HIV prevention. 2011.
- 13-Rose Zulliger, Sex work and HIV/AIDS in the Dominican Republic, 2012.
- 14-Melissa King, Victoria Chau, Emily Holman, Mindfulness and Health, 2013-4.
- 15-Zoe Hendrickson, Governmentality and Reproductive Health, 2014.
- 16-Cristina Rodriguez, Social Capital and HIV Risk, 2014.
- 17-Anna Leddy, Social Cohesion and HIV Risk. 2015.
- 18-Yonaira Rivera, Manuscript Development. 2016-7.
- 19-Darriel Harris, Manuscript Development. 2016-7.
- 20-Tahilin Sanchez Karver, Stigma and HIV Risk. 2017.

Class Lectures at JHSPH (non-primary instructor):

- Female Sex Workers, HIV and Gender-Based Violence in the Dominican Republic and Tanzania. Doctoral Seminar in Violence Prevention. JHU School of Nursing. 2018.
- Community-Engaged Research among Female Sex Workers in the Dominican Republic. Case Studies in Public Health Responses. JHSPH. 2017.
- Developing a Community-Based Response to HIV Prevention among Female Sex workers. Community-Based Participatory Research (CBPR). JHSPH. 2016.
- Global Update on Women and HIV. 8th Annual Johns Hopkins Women's Health Research Symposium. Women & HIV: Science, Policy & Practice. 2015.
- Social and Behavioral Aspects of HIV Treatment as Prevention. The Johns Hopkins University Center for AIDS Research (CFAR) Town Hall Meeting. 2012.
- Designing and Evaluating Effective HIV Prevention Programs among Marginalized Groups in Latin America and the Caribbean. Latin Student Network. 2011.
- Prostitution Pledge: A Legal Challenge. Presentation and Panel Participant. Center for Health and Human Rights. Johns Hopkins Bloomberg School of Public Health. 2006.
- Sex Work and HIV Prevention. Annual Strategic Communication and HIV Prevention Training sponsored by the Center for Communication programs (CCP). 2002 and 2003.
- Analytical Methods for Environmental-Structural Data in the Social Sciences. Graduate Seminar in Medical Anthropology and Sociology Methods. 2002 and 2003.
- Technical and Ethical Challenges of Participant Observation Techniques. Graduate Seminar in Medical Anthropology and Sociology Methods. 2002 and 2003.
- Social Capital and Behavior Change. Behavior Change Interventions for Developing Countries. 2002-2006.
- Analytic Techniques for Qualitative Data. Micro-Computer Applications. 2001.
- Lessons from the Field. Anthropological Perspectives on Health. 2000.

Advisees

GWU Doctoral Students

Beth Maclin, Doctor of Philosophy Candidate. Expected Graduation Spring 2022.
Shikha Chandarana, Doctor of Philosophy Candidate. Expected Graduation Spring 2024.

JHSPH Doctoral Students

Tahilin Sanchez Karver, Doctor of Philosophy, Graduation December 2020
Anna Leddy, Doctor of Philosophy, Graduation May 2017
Andrea Mantsios, Doctor of Philosophy, Graduation May 2017
Meredith Reilly, Doctor of Philosophy, Graduation May 2016
Maria Carrasco, Doctor of Philosophy, Graduation June 2015
Dana Cernigliaro, Doctor of Philosophy, Graduation August 2014
Rose Zulliger, Doctor of Philosophy, Graduation June 2014
Sarah Beckham, Doctor of Philosophy, Graduation December 2013
Tonia Poteat, Doctor of Philosophy, Graduation May 2012
Homaira Hanif, Doctor of Philosophy, Graduation May 2011
Leilani Francisco, Doctor of Philosophy, Graduation May 2010
Katherine Andrinopoulos, Doctor of Philosophy, Graduation May 2008

Shayna Cunningham, Doctor of Philosophy, Graduation May 2007
Clare Barrington, Doctor of Philosophy, Graduation May 2007

JHSPH Masters Students

Alexandra Ross, Masters of Health Sciences, Graduation May 2017
Juliana Odetunde, Masters of Public Health, Graduation May 2016
Amanda Stearns, Masters of Health Sciences, Graduation May 2016
Hilary Wiseman, Masters of Public Health, Graduation May 2015
Lillian Nguyen, Masters of Health Sciences, Graduation, May 2015
Olomoroti Aina, Master of Public Health, Graduation, May 2014
Jessica Shoemaker, Masters of Health Sciences, Graduation, May 2014
Emily Crawford, Masters of Public Health, Graduation, May 2013
Carrie Stolfus, Masters of Public Health, Expected Graduation, May 2015
Samuel Johnson, Masters of Health Sciences, Graduation, January 2013
Mawusi Arnett, Masters of Public Health, Graduation, May 2012
Maria Carrasco, Masters of Public Health, Graduation, May 2012
Jeremy Lapedis, Masters of Health Sciences, Graduation, December 2011
Carley Simpson, Master of Public Health, Graduation, December 2011
Marya Cordero, Master of Public Health, Graduation May 2011
Indira Sarma, Master of Public Health, Graduation May 2010
Laura Cogoy, Master of Public Health, Graduation May 2009
Christina Fontecchio, Master of Health Sciences, Graduation May 2008
Erica Rosser, Master of Health Sciences, Graduation May 2008
Kelly Johnson, Master of Public Health, Graduation May 2007
Elizabeth Gronewald, Master of Health Sciences, Graduation May 2007
Marissa Mika, Master of Health Sciences, Graduation May 2007
Kiesha McCurtis, Master of Public Health, Graduation May 2006
Andrea Mantsios, Master of Health Sciences, Graduation May 2006
Stephanie Oppenheimer, Master of Health Sciences, Graduation May 2006
Stacey Lee, Master of Public Health, Graduation May 2005
Laura Murray, Master of Health Sciences, Graduation May 2005
Stephanie Witt, Master of Public Health, Graduation May 2004
Michelle Firestone, Master of Health Sciences, Graduated May 2004
Jessica Greene, Master of Health Sciences, Graduated May 2003
Katherine Andrinopoulos, Master of Health Sciences, Graduated May 2003
Suprotik Basu, Master of Health Sciences, Graduated May 2002
Kavita Pillay, Master of Health Sciences, Graduated May 2001

Thesis Reader for JHSPH Masters Students (non-advisees)

Lexi Smith, Graduation, 2010
Amy Brown, Graduation 2006
Andrea Ippel, Graduation 2006
Katherine Waldman, Graduation 2006
Amanda Rosencrans, Graduation 2006
Jessica Fehringer, MHS, Graduated 2005

Andrea Lira, MHS, Graduated 2005
Naomi Van Dinter, Graduated 2004
Keiliki Bhattacharya, Graduated 2002
Tiffany LeFevre, MHS, Graduated 2002
Enisha Sarin, MHS, Graduated 2002
Aliza Monroe, MS, Graduated 2005
Patrick Wilson, MPH (Capstone), Graduated, 2002
Clare Barrington, MPH (Capstone), Graduated, 2002

Preliminary Oral Examination Participation for JHSPH Doctoral Students

2016

Anna Leddy, Health, Behavior and Society.
Cristina Rodriguez-Hart. Health, Behavior and Society.

2015

Sarah Peitzmeier. Population Family Health Sciences
Andrea Mantsios. Health, Behavior and Society
Zoe Hendrickson. Health, Behavior and Society
Azal Ahmadi. International Health
Kelly King. Health, Behavior and Society
Sahnah Lim. Population, Family Health Sciences

2014

Maria Carrasco. Health, Behavior and Society
Meredith Reilly. Health, Behavior and Society
Melissa King. Health, Behavior and Society
Laura Hinson. Population, Family Health Sciences

2013

Rose Zulliger. Health, Behavior and Society
Virginia Fonner. International Health
Laura Hinson. Population Family Health Sciences
Virginia Fonner. International Health

2012

Dana Cernigliario. Health, Behavior and Society
Pooja Sripad. International Health

IH Departmental Thesis Committee Participation for Doctoral Students:

Amy Medley

Sarah Kessler

Amy Ellis

Lara Ho

Clare Barrington

Shayna Cunningham

Katherine Andrinopoulos

Leilani Francisco

Rachel Haws

Homaira Hanif

Caitlin Kennedy

Tonia Poteat

Sarah Beckham

HBS Departmental Thesis Committee Participation for Doctoral Students:

Andrea Mantsios

Dana Cernigliario

Rose Zulliger

Maria Carrasco

Meredith Reilly

Zoe Hendrickson

Cristina Rodriguez

Daniel Siconolfi

Thesis Committee Participation for Non-JHSPH Doctoral Students:

Sheri Lippman, University of California, Berkeley.

Laura Murray, Department of Socio-Medical Sciences. Columbia University.

Post-Doctoral and Junior Faculty Training Mentor:

DC CFAR:

Nicole Angotti, DC CFAR Scholar Award, American University, 2019.

Rachel Robinson, DC CFAR Scholar Award, American University, 2019.

Yan Wang, DC CFAR Scholar Award, George Washington University, 2021.

JHU CFAR:

Andrea Mantsios, JHU CFAR Scholar Award. JHSPH. 2018.

Katherine Footer, JHU CFAR Scholar Award. JHSPH. 2017.

Sarah Beckham, JHU CFAR Scholar Award. JHSPH. 2017.
Sarah Beckham, JHU CFAR International Award. JHSPH. 2016.
Suzanne Grieb, NIH Adelante Award. JHU SOM. 2015-2017.
Christopher Hoffmann, JHU CFAR Scholar Award. SOM. 2015-2016.
Larissa Jennings, JHU CFAR Scholar Award. JHSPH. 2013-2015.

NIH Career Development Awards:

Maria de Jesus, NIH, Diversity Supplement, American University, 2019-2021.
Nicole Salazar-Austin, NIH K23, JHU SOM. 2019-2024.
Elizabeth Cotter, NIH K23, American University, 2020-2025.
Andrea Young, NIH K23. JHU SOM. 2018-2023.
Becca Fielding-Miller, NIH K01. University of California, San Diego. 2017-2023.
Sarah Beckham, NIH K01. JHSPH. 2017-2023.
Julie Denison, NIH K01, JHSPH. 2016-2021.
Danielle German. NIH K01, JHSPH. 2016-2021.
Kate Grabowski. NIH K01. JHSPH 2016-2021.
Xiangrong Kong, NIH K01, JHSPH. 2014-2019.
Laramie Smith, NIH K01, University of California, San Diego. 2014-2019.
Lianne Urada, NIH K01 University of California, San Diego. 2013-2018.

Post-Doctoral Mentor:

Tahilin Sanchez Karver, GWU Department of Prevention and Community Health. 2021-
Sarah Beckham. JHSPH. JHU Department of Epidemiology T-32. 2015-6.
Suzanne Grieb. JHSPH. JHU HBS Kellogg Community Health Scholar. 2010-2.

PRACTICE

2020- Scientific Advisor, Formative Research
COVID-19 Vaccine Roll-Out Working Group
DC Health, Washington, DC

2020- Co-Lead, Intersectional Stigma Working Group
HIV-Related Intersectional Stigma Forum
NIMH, Washington, DC

2014-2018 Co-Chair and Member, Strategic Information Working Group
Steering Committee on HIV and Sex Work
UNAIDS, Geneva, Switzerland

2013-2018 Founding Board Member, Ecoheal
Chapel Hill, North Carolina

2013 Member, WHO Implementation Tool Development Team

Implementing Comprehensive HIV/STI Programmes with Sex Workers: Practical Approaches from Collaborative Interventions. Geneva, Switzerland.

- 2011-2 Member, WHO Guidelines Development Team
Prevention and Treatment of HIV and Other Sexually Transmitted Infections for Sex Workers in Low- and Middle-income Countries. World Health Organization. Geneva, Switzerland.
- 2005-6 Member, WHO Tool Kit Development Team
Toolkit for Targeted HIV/AIDS Prevention and Care in Sex Work Settings
World Health Organization. Geneva, Switzerland.
