

Donaldson F. Conserve, Ph.D., M.S.

dconservejr@gwu.edu

917-443-6124

EDUCATION

Bachelor of Arts, Psychology, *cum laude*, Queens College, City University of New York, NY, 2009

Master of Science, Biobehavioral Health, College of Health and Human Development, The Pennsylvania State University, PA, 2011

Doctor of Philosophy, Biobehavioral Health, College of Health and Human Development, The Pennsylvania State University, PA, 2013

T32 Postdoctoral Fellow in HIV/STD Prevention, Division of Infectious Diseases, UNC School of Medicine and Department of Health Behavior, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, NC, 2013-2016. Supported by NIAID (AI 07001-34; PI Miller).

K99 Postdoctoral Fellow in HIV/STD Prevention – Department of Health Behavior, Gillings School of Global Public Health, The University of North Carolina, Chapel Hill, NC, 2016-2017. Supported by NIMH (K99MH110343; PI: Conserve)

PROFESSIONAL APPOINTMENTS

Associate Professor (with tenure) – Department of Prevention and Community Health, Milken Institute School of Public Health, The George Washington University, Washington, DC, 2020-present

Assistant Professor- Department of Health Promotion, Education, and Behavior, Arnold School of Public Health, University of South Carolina, SC, 2018 - 2020

Clinical Assistant Professor - Department of Health Promotion, Education, and Behavior, Arnold School of Public Health, University of South Carolina, SC, 2017 - 2018

Research Associate - Department of Health Promotion, Education, and Behavior, Arnold School of Public Health, University of South Carolina, SC, 2016 – 2017

Adjunct Assistant Professor- Department of Health Behavior, Gillings School of Global Public Health, The University of North Carolina at Chapel Hill, NC, 2018-present

HONORS AND AWARDS

2020	2020 Emerging Professional – Graduate Degree Award – College of Health and Human Development – The Pennsylvania State University
2019-present	NIH HIV Intervention Science Training Program – Columbia University
2018-2019	NIH/NHLBI Peer Mentor Program – New York University
2016- 2017	NIH/NHLBI Program to Increase Diversity Among Individuals Engaged in Health Research Fellow- New York University
2016	Infectious Diseases Society of America, IDWeek Trainee Award

2016 NIH National Research Mentoring Network Fellow – Tufts University
 2016 NIH National Research Mentoring Network Fellow – University of Minnesota
 2016 Robert Wood Johnson Foundation, New Connections Research Symposium
 Travel Award
 2015-Present NIH/NIMHD Health Disparities Research Loan Repayment Program Awardee
 2014-2017 UNC Center for AIDS Research, Junior Investigator Award
 2013-2016 NIH UNC HIV/STD T32 Training Grant, Postdoctoral Fellow
 2012 Selected as Emerging Scholar by Haitian Studies Association
 2007-2008 NIH-funded Minority Health and Health Disparities International Research
 Training (MIHRT) Fellowship, The Pennsylvania State University & University of
 Cape Town
 2009 Selected as Distinguished Scholar by Minority Access to Research Career
 (MARC)
 2009 The Chaney – Goodman – Schwerner Award, Queens College
 2008 NIH NIMHD The Science of Eliminating Health Disparities, Travel Award
 2007 SEEK Leader for Academic Achievement, Queens College
 2005-2009 Queens College Dean’s List
 2007-2009 NIH-funded Minority Access to Research Career - Undergraduate Student
 Training for Academic Research (MARC-USTAR) Fellowship

GRANTS AWARDED

Developing Confirmatory HIV Testing and Linkage to Care Intervention Strategies for Men in Tanzania

Dates: 1/5/22 -12/31/22

Sponsoring Agency: DC Center for AIDS Research

Yearly Direct Costs: \$50,000

Role: Principal Investigator (10% FTE)

Objectives: The proposed project aims to use Intervention Mapping (IM), which is a multistep theory-based intervention development process, to develop the Self-Testing Education and Promotion+ (STEP+) intervention to support confirmatory HIV testing and linkage to care for male partners who self-test and receive a positive self-test result at home.

Rapid Acceleration of Diagnostics for Underserved Populations (RADx-UP) Coordination and Data Collection Center (CDCC)

Dates: 9/01/20-8/31/24

Sponsoring Agency: NIH/NIMHHD:1U24MD016258-01

Yearly Direct Costs: \$4,675,007

Role: Co-investigator (10% FTE)

Objective: Using a community-centered approach, we will establish an effective, flexible, participatory, and sustainable CDCC that will serve as the infrastructure to maximize the community impact of projects in the RADx-UP consortia.

RADx-UP Say Yes COVID Test Study (NIH COVID-19 Home Testing Pilot)

Dates: 02/01/21 – 08/15/22

Sponsoring Agency: NIH/NIMHHD 3U24MD016258-01S1

Yearly Direct Costs: \$4,675,007

Role: Co-investigator (10% FTE)

Objective: We will evaluate a public health intervention combining frequent at-home testing with broad community engagement strategies to reduce SARS-CoV-2 virus transmission and assess human behavior factors affecting viral testing.

Assessment of Case Manager Intervention Dosage Impact on Viral Suppression among Men Who Have Sex with Men: A Mixed Method Study – HPTN 078

Dates: 1/1/21 – 12/31/22

Sponsor: NIH HIV Prevention Trials Network

Yearly Direct Costs: \$95,000

Role: HPTN Scholar – Principal Investigator (30%FTE)

Objective: The aims of the study are to (1) assess factors associated with choosing a high, medium, or low intervention dosage level and (2) examine the difference in viral suppression among participants who chose a high, medium, and low dosage level, and (3) and qualitatively explore participants' experiences with linkage to care, adherence, and the CM intervention based on their intervention dosage level.

HPTN 096 Pilot Phase: Getting to Zero among Black MSM in the American South: Testing the Efficacy of an Integrated Intervention Strategy

Dates: 9/1/21 – 8/31/22

Sponsor: NIH HIV Prevention Trials Network

Yearly Direct Costs: \$7,000,000

Role: HPTN Scholar Co-Investigator

Objective: The purpose of this study is to evaluate an integrated, population-based approach designed to reduce human immunodeficiency virus (HIV) incidence among Black men who have sex with men (MSM) in the southern US by increasing HIV testing, uptake and use of pre-exposure prophylaxis (PrEP) among Black MSM living without HIV, and viral suppression rates among Black MSM living with HIV.

Acceptability and Feasibility of Unsupervised HIV Self-Testing among Networks of Men in Tanzania

Dates: 8/01/18-7/31/22

Sponsoring Agency: NIH/NIMH: R00MH110343

Yearly Direct Costs: \$169,964

Role: Principal Investigator (75% FTE)

Objective: This project aims to develop, implement, and evaluate the efficacy of a peer-led HIV self-testing intervention versus standard of care on HIV testing and linkage to care among social networks of men.

ITEST: Innovative Tools to Expand Youth-Friendly HIV Self-Testing

Dates: 9/1/18 – 8/31/23

Sponsoring Agency: NIH/NICHD: UG/H3HD096929-01

Yearly Direct Costs: \$1,162,764

Role: Consultant

Objective: The goal of this project is to create innovative tools to expand youth-friendly HIVST using crowdsourcing and apprenticeships designed for youth by youth themselves in Nigeria. This work will expand research on implementation science by addressing the role of *participation, innovation, and entrepreneurship* may play in sustaining youth-led implementation and dissemination of evidenced-based HIVST strategies in Nigeria.

PENDING GRANT

MyHealthCard: An Integrated Data Application Platform to Improve HIV Care Cascade and HIV Health Outcomes

Dates: 7/1/22 – 6/30/27

Sponsoring Agency: NIH/NICHD: R21/R33HD110139

Role: MPI

Objective: In phase 1, we will develop core implementation strategies to enhance adoption of HealthPro® and test their feasibility and acceptability at 21 comprehensive HIV treatment centers (NISA-MIRCs) in Niferia. In phase 2, we will test the effectiveness and impact of HealthPro® on HIV care cascade outcomes (retention, treatment adherence, and viral suppression) and HIV health outcomes (new infections among infants born to HIV-infected mothers).

GRANTS CONCLUDED

The Unitaid/PSI HIV Self-Testing Africa (STAR) Initiative: South Africa Implementation

Dates: 8/01/17-12/30/20

Sponsoring Agency: Unitaid: 017-17-SFH-STAR

Yearly Direct Costs: \$1,038,129

Role: Consultant

Objective: The Self-test Africa (STAR) Initiative is the largest evaluation of HIV self-testing (HIVST) in Africa to date and aims to scale up HIVST in six sub-Saharan African countries and inform WHO normative guidance and support the development of national-level policy on HIVST.

Community Perceptions of and Strategies to Increase HIV Self-Testing Kit Use in the North Carolina

Dates: 1/01/20-12/31/20

Sponsoring Agency: University of South Carolina

Yearly Direct Costs: \$1,000

Role: Mentor

Objective: The project aims to assess the perceptions of HIV and HIV self-testing among Black men in North Carolina and strategies to decrease the stigma surrounding HIV testing and reach more members of the community to consider self-testing methods.

Formative Research to Test the Feasibility and Acceptability of Supervised HIV self-testing among Young Men in Dar es Salaam, Tanzania.

Dates: 10/2015- 4/31/18

Sponsoring Agency: UNC Center for AIDS Research

Yearly Direct Costs: \$25,324

Role: Principal Investigator

Objective: The goal of this project was to conduct mixed-methods formative research to inform the development and implementation of an HIV self-testing intervention among networks of men in Tanzania

Acceptability and Feasibility of Unsupervised HIV self-testing among Networks of Men in Tanzania

Dates: 8/01/16-7/31/18

Sponsoring Agency: NIH/NIMH: K99MH110343

Yearly Direct Costs: \$88,000

Role: Principal Investigator

Objective: This project aimed to conduct formative research to assess the pilot an unsupervised HIV self-testing acceptability and feasibility intervention among networks of men who socialize in organized social groups referred to as “camps” in Dar es Salaam, Tanzania.

Linkages Across the Continuum of HIV Services for Key populations Affected by HIV (LINKAGES Project for USAID Mission in Haiti)

Dates: 07/03/14-01/31/19

Sponsoring Agency: USAID

Yearly Direct Costs: \$25,000,000

Role: Consultant

Objective: This USAID-funded contract drew on resources at the University of North Carolina (UNC), FHI360, and IntraHealth to reduce loss-to-follow-up along the HIV testing, linkage and care cascade in Africa and Southeast Asia and Haiti.

A Multilevel Intervention to Reduce HIV Risk among Networks of Men in Tanzania

Dates: 07/16/12-03/31/17

Sponsoring Agency: NIH/NIMH 1R01MH098690-01

Yearly Direct Costs: \$475,595

Role: Postdoctoral Fellow

Objective: The goal of this cluster-randomized trial was to evaluate the efficacy of a multilevel intervention to reduce HIV risk and perpetration of gender-based violence among social networks of young men in Dar es Salaam.

Acceptability and Feasibility of Peer Educators to Promote HIV Self-Testing Among Networks of Men in Tanzania

Dates: 4/19/19 – 3/31/20

Sponsoring Agency: University of South Carolina

Yearly Direct Costs: \$2,500

Role: Mentor

Objective: The goal of this project was to assess the acceptability and feasibility of the peer educators component of the HIV Self-Testing Education and Promotion (STEP) project.

Formative Research to Test Acceptability of an HIV Self-Testing Virtual Reality (VR) Intervention among Young Black Heterosexual Men in North Carolina

Dates: 10/1/17-7/31/19

Sponsoring Agency: North Carolina Translational and Clinical Sciences Institute

Yearly Direct Costs: \$2,000

Role: Principal Investigator

Objective: The objective of the study was to assess the acceptability of an HIV self-testing VR program among young heterosexual black men in North Carolina.

Positioning USC for Global Prominence in Research on Prevention and Management of Chronic Disease

Dates: 07/2017-06/2018

Sponsoring Agency: University of South Carolina

Yearly Direct Costs: \$100,000

Role: Co-Investigator

Objective: The goals of the sub-project were to adapt and pilot-test Malawi's intervention *RETAIN* for engaging male partners in the support and care of HIV-positive women in Haiti receiving antiretroviral treatment.

Examining the psychosocial, cultural, and sexual experiences of HIV-positive Haitian immigrants in New York.

Dates: 06/1/12 – 12/20/13

Sponsoring Agency: The Pennsylvania State University

Yearly Direct Costs: \$4,000

Role: Principal Investigator

Objective: The purpose of this project was to examine the psychosocial, cultural, and sexual experience

of HIV-positive Haitian immigrants in New York.

INVITED NATIONAL & INTERNATIONAL LECTURES/MEETINGS

LECTURES & PRESENTATIONS

Conserve, D. Developing and Implementing the HIV Self-Testing Education and Promotion (STEP) Intervention for Networks of Men in Tanzania. **Oral Presentation:** Department of Epidemiology Fall 2019 Seminar Series, University of Alabama School of Public Health at Birmingham, Birmingham, AL, October 2019.

Conserve, D. Developing and Implementing HIV Self-Testing Interventions to Reach Men in Tanzania and Haiti: Implications for the Bahamas. **Oral Presentation:** Government of the Bahamas Ministry of Health, National Medical Laboratory Strengthening Lecture Series, Nassau, Bahamas, May 2019.

Conserve, D., Kilale, A. Brainstorming Session for Future HIV/AIDS Research Meeting. **Oral Presentation:** First HIV and AIDS Researcher Forum, Morogoro, Tanzania, September 2018.

MEETINGS

Regional Meeting on Accelerating Men's HIV Service Delivery and Uptake in Eastern and Southern Africa. **Organizers:** UNAIDS, Sonke Gender Justice, UN Women and Promundo, Johannesburg, South Africa, May 2019

Stakeholders Coordination Meeting to Monitor HIV Pre-Exposure Prophylaxis (PrEP) Implementation in Tanzania. **Organizer:** United Republic of Tanzania Ministry of Health, Community Development, Gender, Elderly, and Children, Dodoma, Tanzania, September 2018

Furaha Yangu (My Happiness!): Launching Event for National HIV Testing and Treat. **Organizers:** Government of Tanzania, FHI 360, United States Agency for International Development (USAID), Dodoma, Tanzania, June 2018

SCHOLARSHIP PRESENTATIONS

REGIONAL PRESENTATIONS

Saini, S*, **Conserve, D.**, Issango, J., Kilale, A., Kamwela, J., Maboko, L., Nighula, P., Laramée, N.,* Budiongan, J.* (2019, April). Perceived Challenges and Recommendations for Developing a National HIV/AIDS Conference in Tanzania: Findings from the 2018 HIV/AIDS Research Forum. **Poster Presentation:** Discovery USC 2019 Conference, Columbia, SC

NATIONAL PRESENTATIONS

Conserve, D., Mbita, G., Alemu, D., Njau, B., Lija, J., Komba, A., (2019, November). Developing a Peer-led HIV Self-Testing Education and Promotion Intervention for Networks of Men in Tanzania. **Oral Presentation:** 148th American Public Health Association Conference, Philadelphia, PA

Conserve, D., Maboko, L., Iwelunmor, J., King, G. (2018, December). Development and Appropriateness of the Tanzania HIV Self-Testing Education and Promotion (Tanzania STEP) Project for Men to reach the 90-90-90 goals. **Poster Presentation:** 11th Annual Conference on the Science of Dissemination and Implementation in Health, Washington, DC.

Conserve, D., Urasa, P., Choko, A., Memiah, P., Yamanis, T., Kajula, L., Maman, S. (2018, November). Developing Strategies for Reaching Men with HIV Testing Services in Tanzania. **Oral Presentation:** 147th American Public Health Association, San Diego, CA.

Alemu, D*, **Conserve, D.**, Olatosi, B., Iwelunmor, J. (2018, November). Health Care Decision Making and HIV Testing among Women in Ethiopia: Results from the 2016 Ethiopian Demographic and Health Survey. 147th American Public Health Association, San Diego, CA.

Hamilton, A*, **Conserve, D.**, Qiao, S., Thirimurthy, H., King, G., Handler, L., Choko, A., Njau, B. HIV Self-testing Uptake, Intervention Strategies, & Linkage to Care among Men in Sub-Saharan Africa; A Systematic Review. 147th American Public Health Association, San Diego, CA.

*Abdallah, I., **Conserve, D.**, Burgess, T., Adegbite, A., Oraka, E. (2018, August). Correlates of HIV-related Risk Behaviors among Self-Identified Heterosexual Men who Have Sex with Men (HMSM): National Survey of Family Growth (2002, 2006 – 2010, and 2011 – 2015). **Poster Presentation:** 2018 National STD Prevention Conference, Washington, DC.

*Alemu, D., **Conserve, D.**, Tolossa, D. (2017, November). Information Access for Women's Empowerment: A Qualitative Evaluation of a Mass Media and Community Conversation Intervention in Rural Ethiopia. **Oral Presentation:** 2017 American Public Health Association Conference, Atlanta, GA.

Jennings, L., **Conserve, D.**, Kajula, L., Iwelunmor, J., & Maman, S. (2017, July). Perceived Cost Advantages and Disadvantages of Purchasing HIV Self-Testing Kits among Urban Tanzanian Men: An Inductive Content Analysis. **Poster Presentation:** 9th International AIDS Science Conference, Paris, France.

Conserve, D., (2016, November). “*Maladi pa tonbe sou pye bwa*” (Illnesses don't fall on trees): HIV Diagnosis and Antiretroviral Treatment among Haitian Immigrants in New York. **Oral Presentation:** 28th Haitian Studies Association Conference, Cap Haitien, Haiti

- Conserve, D.,** Kajula, L., Yamanis, T., & Maman, S. (2016, July). Formative research to develop an HIV Self-Testing Intervention among Networks of Men in Tanzania. **Poster Presentation:** 21st International AIDS Conference, Durban, South Africa
- Teti, M., **Conserve, D.,** Zhang, N., Gerkovich, M. (2015, November). “Another way to talk”: Photo-stories to Promote Safe Disclosure among People with HIV. **Poster Presentation:** 143rd American Public Health Association, Chicago, IL.
- Yamanis, T., Mulawa, M, **Conserve, D.,** Kajula, L., Barrington, C., Maman, S (2015, November). Social Networks Influence on HIV Testing among Young Men in Tanzania. **Poster Presentation:** 143rd American Public Health Association, Chicago, IL.
- Balvanz, P., Maman, S., Yamanis, T., Kilonzo, N. **Conserve, D.,** Mulawa, M., Kajula, L., (2015, November). Implementation of a Microfinance Program for Networks of Young Men in Dar es Salaam, Tanzania. **Oral Presentation:** 143rd American Public Health Association Conference, Chicago, IL.

- Conserve, D.,** Sevilla, L., Mbwambo, J., King, G. Determinants of HIV Testing and Knowledge of Partner’s HIV Status Among Men in Dar es Salaam, Tanzania. **Poster Presentation:** 2012 Science of Eliminating Health Disparities Summit, National Harbor, MD.
- Conserve, D.,** Dunston, S., Jocelyn, C., Fremont, A. (2012, November). Post-earthquake challenges and successes among Haitian immigrants residing in Brooklyn, New York. **Oral Presentation:** 24th Haitian Studies Association Annual Meeting, Jamaica, NY.
- Conserve, D.** (2012, March). Transnationalism and the Healthcare Needs of Haitian Immigrants. **Oral Presentation:** 35th National Council of Black Studies Conference, Atlanta, GA.
- Conserve, D.,** Sevilla, L., Younge, S., Mbwambo, J., & King, G. (2011) Condom Use among HIV Positive Sexually Active Adults and Partners HIV Status in Dar es Salaam, Tanzania. **Oral Presentation:** GLASS Graduate Research Symposium, Chicago, IL.
- Conserve, D.,** Sevilla, L., Younge, S., Mbwambo, J., & King, G. (2009, November). Safer Sexual Practices Among HIV-positive Adults in Dar es Salaam, Tanzania. **Poster Presentation:** 137th American Public Health Association Conference Denver, CO.
- Conserve, D.,** King, G., Middlekoop, K., Gail-Bekker, L. (2009, November). HIV/AIDS-related Stigma, and HIV Risk Behaviors in Masiphumelele, South Africa. **Poster Presentation:** American Public Health Association Conference, Philadelphia, PA.

Conserve, D., Golub, S. (2008, November). The Role of Social Support and Serostatus on the Mental Health of HIV-positive Adults in NYC. **Poster Presentation:** 7th Annual Biomedical Research Conference for Minority Students (ABRCMS), Orlando, FL.

INTERNATIONAL PRESENTATIONS

Ahonkhai, A., Memiah, P., **Conserve, D.** (2020, July) #AgeMatters: Leveraging Technology to Improve HIV Care Continuum Outcomes Among Youth in sub-Saharan Africa. **Symposium:** #AIDS2020: 23rd International AIDS Conference Virtual

Conserve D., Issango J, Rwezahura P, Maboko L, Nhigula P. (2020, April) Implementation and Outcomes of Test and Treat for Men in Tanzania: Results from the National *Furaha Yangu* Campaign. **Poster Presentation.** 11th Annual Consortium of Universities for Global Health Conference; Washington, DC (Conference canceled).

Tun, W., **Conserve, D.**, Bunga, C., Jeremiah, K., Apicella, L., Vu, L. (2019, December). Quality of Antiretroviral Therapy (ART) Services are Perceived to be Better with Community-based ART provision for Female Sex Workers in Tanzania: Qualitative Findings. **Poster Presentation:** 20th International Conference on AIDS and STI's in Africa, Kigali, Rwanda.

Conserve, D. Michel, J., Choko, A., Demes, A, Chery, A., Balan, J-G, Puttkammer, N. (2019, July). Stakeholders Perceptions towards Implementing HIV Self-Testing as An Assisted Partner Services Strategy to Reach Men in Haiti. **Poster Presentation:** 10th IAS Conference on HIV Science, Mexico City, Mexico.

Brown, M.J., Qian, Y., Harrison, S., Haider, M.R., **Conserve, D.**, Deming, M., Zhang, J., Li, X. (2019, July). Sexual Assault and ART Adherence: The Mediating Role of Depressive Symptoms. **Oral Presentation.** AIDS Impact Conference London, England.

Conserve, D., Michel, J., Cannel, N. (2018, November). Innovative Strategies to increase HIV testing in Haiti: Results from Pwoje SIDA and Stakeholders Perspective of HIV Self-Testing Study. **Oral Presentation:** 30th Haitian Studies Association Conference, Port-au-Prince, Haiti.

Clisbee, M., Toussaint, S., **Conserve, D.**, Morse, M., Julmisse, M. (2018, June). Creating Curricula for Medical Education and Nursing Programs in Haiti. **Oral Presentation:** 43rd Annual Caribbean Studies Association Conference, Havana, Cuba.

Choko, A., Kumwenda, M., Sakala, D., Johnson, C., **Conserve, D.**, Corbett, E., Fielding, K. (2018, May). Understanding Linkage to Care or Prevention in the Context of Secondary Distribution of HIV Self-Test Kits for Men: A Descriptive Analysis. **Poster Presentation:** 12th INTEREST Conference, Kigali, Rwanda.

Sakala, D., **Conserve, D.**, Kumwenda, M., Corbett, E., Fielding, K., Choko, A, (2018, May). Peer and Economic Influences on Men's Decision to Attend Antenatal Care Clinics including HIV Testing: A Qualitative Study from Blantyre, Malawi. **Poster Presentation:** 12th INTEREST Conference, Kigali, Rwanda.

*Hamilton, A., Shin, S., Taggart, T., Teti, M., **Conserve, D.** (2018, March). A Systematic Review of HIV Testing Barriers and Intervention Strategies among Multiple Populations in the Caribbean. **Poster Presentation:** 9th Annual Consortium of Universities for Global Health Conference, New York, NY.

UNIVERSITY SERVICES

2020- Present	Member , Self-Study Working Group, Department of Prevention and Community Health, Milken Institute School of Public Health, The George Washington University
2018 – 2020	Member , Scholarships and Awards Committee (Review over 15 applications per semester for 3 different scholarships per semester), Health Promotion, Education, and Behavior Department, Arnold School of Public Health, University of South Carolina
2018-2020	Member , Doctoral Qualifying Exam Evaluation Committee (Evaluate up to 15 doctoral qualifying exams annually), Health Promotion, Education, and Behavior Department, Arnold School of Public Health, University of South Carolina
2018-2019	Mentor , Mentored a junior faculty at State University of New York (SUNY) Cortland on career planning, grant submission, and manuscript preparation
2015-2017	Co-chair , Minority Postdoctoral Alliance, Office of the Vice Chancellor for Research, Office of Postdoctoral Affairs, University of North Carolina at Chapel Hill.
2012-2013	Member , College of Health and Human Development Diversity Task Force, The Pennsylvania State University
2010-2011	Mentoring Program Chair , Black Graduate Student Association, The Pennsylvania State University
2011-2012	Graduate Student Social Chair , Department of Biobehavioral Health, The Pennsylvania State University
2011- 2012	Mentor , FastStart Mentoring Program, PennState Alumni Association, The Pennsylvania State University
2011-2012	Publication Committee Member , Society of Public Health Education (SOPHE)
2007-2009	President , Science Organization of Minority Students, Queens College, City University of New York

PROFESSIONAL SOCIETY MEMBERSHIP

2009- Present	Member , American Public Health Association, <ul style="list-style-type: none">• Abstract Reviewer
2012- Present	Member , Haitian Studies Association
2012- 2017	Member , Society of Public Health Education

EDITORIAL PEER REVIEW ACTIVITIES

2020	Reviewer , for the NIH Special Emphasis Panel/Scientific Review Group 2019/01 ZRG1 AARR-N (56) R meeting and the NIH Maximizing Opportunities for Scientific and Academic Independent Careers (MOSAIC) UE5 program Special Emphasis Panel, ZGM1 TWD-5 (UE)
2019	Reviewer , Einstein-Rockefeller-CUNY Center for AIDS Research.
2018	Reviewer , National Institute of Health for Mental Health Special Emphasis Panel/Scientific Review Group 2019/01 ZRG1 AARR-N (56) PAR: Reducing Stigma to Improve HIV/AIDS Care

2020- Present **Editorial Board Member, BMC Health Services Research**
