# Handshake Support

If you need assistance with the Handshake platform you can:

1. Use the [Handshake Help Center](#) to look for your specific question
2. Search the [Experiences page](#) of Handshake Help Center
3. Use the live chat feature on the Help Center webpage or through the Contact Support in the upper right corner

# Submitting Your Practicum Plan

# Log in to Handshake

\*Please note: Once a Practicum Plan is started in Handshake Experiences, it does **NOT** save. It must be completed all at the same time\*

1. Login to Handshake using SSO to access the Experiences feature

The screenshot displays the Handshake user interface. On the left, a navigation menu includes a green 'H' logo and links for Jobs, Events, Employers, Inbox, and Career center. The main content area has a dark blue background with a white notification bar at the top that says '✓ Logged in!'. Below this, large orange text reads 'The best way to get noticed by employers? Reach out.' To the right, there are two white boxes with blue arrows: 'Attend an event' (Learn more about employers or roles you're interested in, directly from the source.) and 'Make your profile stand out' (Add key information to match with the most relevant jobs and opportunities.). At the bottom, the George Washington University Career Center logo and name are visible, along with a 'Get the Handshake app' banner that says 'Stay on top of new jobs with notifications plus get reminders for interviews and eve'.

# Navigate to Handshake Experiences

2. Either on the left hand side or below the main banner, select **Career Center**.

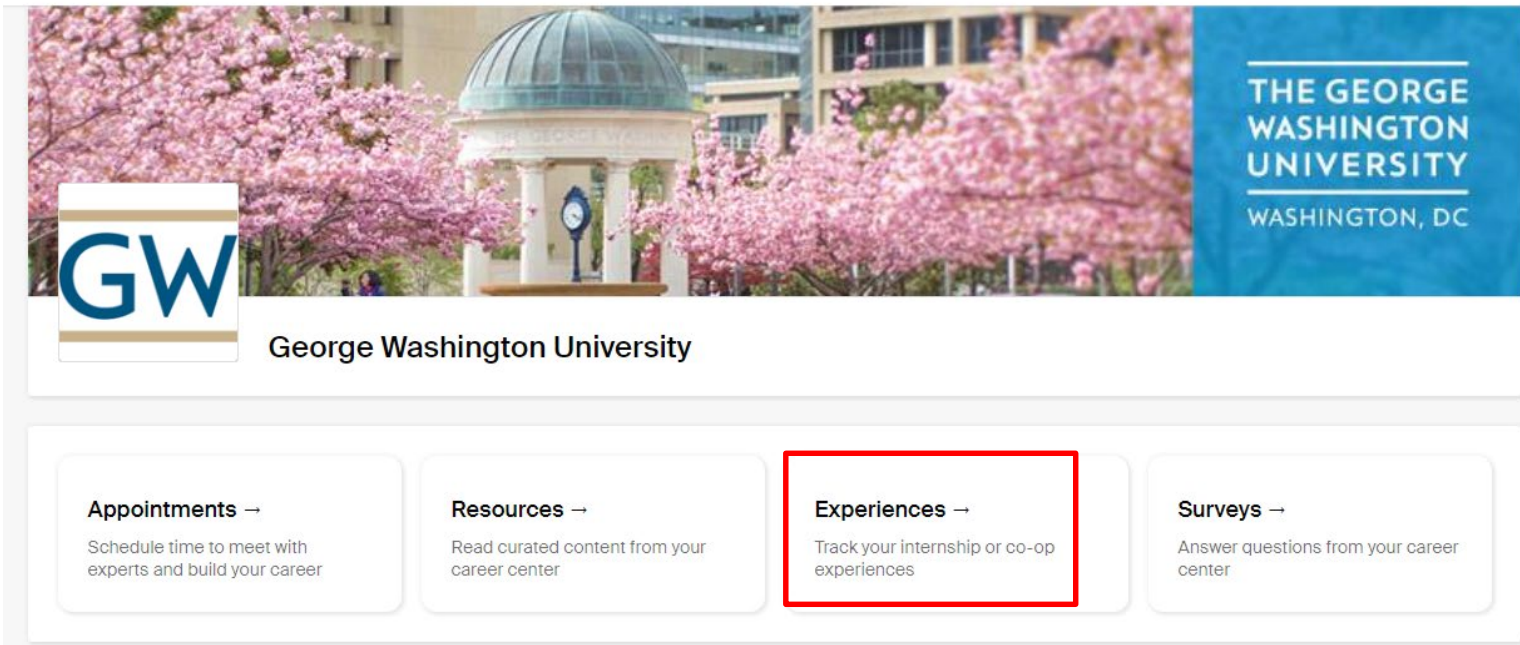

The screenshot displays the Handshake interface. On the left, a vertical navigation menu includes 'Jobs', 'Events', 'Employers', 'Inbox', and 'Career center', with 'Career center' highlighted by a red box. The main content area features a dark blue banner with the text: 'The best way to get noticed by employers? Reach out.' To the right of this text are two white boxes: 'Attend an event' (Learn more about employers or roles you're interested in, directly from the source.) and 'Make your profile stand out' (Add key information to match with the most relevant jobs and opportunities.). At the bottom, the 'George Washington University Career Center' logo and name are visible, along with a 'Get the Handshake app' button.

# Navigate to Handshake Experiences

3. On the GWU page, select **Experiences**.

**\*Tip:** you can make an appointment with the GWSPH Career Services here as well, browse upcoming events, register for events, and explore job/internship openings.

The image shows a screenshot of the George Washington University Handshake page. At the top, there is a banner with a photograph of a building with a dome and pink cherry blossoms. On the left of the banner is the GW logo, and on the right is the text "THE GEORGE WASHINGTON UNIVERSITY WASHINGTON, DC". Below the banner, the text "George Washington University" is displayed. Underneath, there is a navigation menu with four options: "Appointments →", "Resources →", "Experiences →", and "Surveys →". The "Experiences →" option is highlighted with a red rectangular border. Below each menu item is a brief description of the service.

# Request an Experience

4. Under the main Experiences page, you can Request an Experience (aka submit your Practicum Plan) by either selecting the blue **Request an Experience button** or navigating to the **Request an Experience Tab**.

The screenshot shows a web interface for 'Experiences'. At the top left, there is a navigation menu with 'Experiences' and 'Request an Experience'. The 'Request an Experience' tab is highlighted with a red box. Below the navigation, there is a card displaying details for an experience. The card is titled 'Completed' in the top right corner. The details are as follows:

EMPLOYER Test	JOB TITLE test practicum
SUPERVISOR / HR CONTACT Not Specified	JOB TYPE Experiential Learning - Part-Time

Below the card, there is a blue 'View Details' button. At the bottom center of the page, there is a blue 'Request an Experience' button, which is also highlighted with a red box.

# Preceptor Information

e. General --> After selecting the Next Page button, additional questions related to your preceptor will be populated under the General section. If your department utilizes the excel APEx Practicum Plan Template, this information can be found in Tab 1. The first box does not need to be populated.

**General**

**Preceptor information**

Minimum Credentials: Your Site Preceptor is one of the most important people on your Practicum Project Team. They need to be able and willing to collaborate with you to develop and approve this Practicum Scope of Work; they need to be able to mentor you and observe your work; and they need to be able to submit their evaluations of/feedback about your work. They also have to meet some minimum qualifications. In this section, please indicate whether your proposed Site Preceptor meets a few key minimum qualifications in the next three questions and provide a justification of your preceptors ability to act in the role.

\* Preceptors LinkedIn Profile or Resume

\* Has your proposed Site Preceptor demonstrated experience and/or expertise related to the competencies you aim to address during your practicum?

Yes  
 No

\* Is your proposed Site Preceptor an immediate/first-degree relative and/or does your proposed Site Preceptor have a conflict of interest that prevents them from objectively providing feedback on your performance?

Yes  
 No

\* Is your proposed Site Preceptor currently a MPH student at the George Washington University Milken Institute School of Public Health?

Yes  
 No

# Preceptor Information

e. General --> Under the justification narrative section, make sure you have answered **all four** of the questions included in the statement. Select the blue Next Page button to proceed.

\* Justification Narrative In this section, provide a justification and/or rationale for your selected Site Preceptor that includes the following details: (1) A description of the experience and/or expertise your proposed Site Preceptor has had and/or honed related to the competencies you aim to address; (2) Evidence that the proposed Site Preceptor has been able to collaborate with you to develop the Practicum Project Scope of Work; (3) Evidence that they would be willing and able to mentor you throughout your project implementation; (4) Evidence that they would be willing and able to provide feedback on your performance.

# Learning Objectives

10. On your overview page, it's recommended that you toggle to the Learning Objectives tab and select the blue + to list your specific activities and competencies as a quick reference point. This can easily be copy/pasted from the Details tab and allows for you to edit your plan if necessary.

The screenshot shows a user interface with three tabs: 'Details', 'Comments and Activity', and 'Learning Objectives'. The 'Learning Objectives' tab is selected and highlighted with a red border. Below the tabs, the page title 'Learning Objectives' is displayed. A red box highlights a blue plus sign icon next to the text 'Add a Learning Objective'. Below this, a paragraph of text explains that learning objectives can be edited until approved by the school, employer, and student, after which they are locked but can still be marked as complete. It also advises contacting the career center for changes after locking.
