Email from Handshake

 As a preceptor you will have to navigate through Handshake only twice – once to approve the Practicum Plan and at the end of the experience to evaluate the student. This is a required component of the Practicum and students will not receive credit for their Practicum until you have completed the Final Evaluation. An email with the subject line Experience Final Evaluation [student name] will be sent to you from Handshake – select the blue Take Final Survey button to complete.
