

# RESEARCH DAY 2025

**April 16, 2025**

**12:00-4:00 PM**

## **The Convening Center**

A forum for all Students (Undergraduate, Master's, Doctoral), Postdocs, Research Staff, and Alumni to showcase their exceptional work through posters presentations.

### **Abstract Guidelines:**

Abstracts should reflect research or evidence-based projects that have been completed or partially completed, be between 150-400 words, and include the following components:

1. Background & Significance of the Study
2. The Purpose of Your Research (which can include your research question or hypothesis)
3. Methods
4. (Preliminary) Findings & Conclusions
5. The Implications of Your Findings and/or Revisiting the Significance of the Research

**Deadline for submission is March 28, 2025 at 5:00 PM.**

Please refer to the templates on the [Research Day website](#) as a guide to submit your abstracts via email to SPHResearchDay@gwu.edu.

Upon confirmation of your abstract submission, we will provide you with information on poster development and a poster template.

Presenters are responsible for printing their posters before GWSPH Research Day and hanging them on the morning of April 16. Additional instructions will be emailed.

If you have any questions or need further information, please feel free to reach out to the Office of Research Excellence at SPHResearchDay@gwu.edu.
