

## CURRICULUM VITAE

**Dr. Pietro (Peter) D. Marghella**  
**280 Fair Oak Drive**  
**Fairfield, CT 06824-1971**

Phone Number: (C) 571-331-2598

E-Mail: (Personal) [pzmarghella@gmail.com](mailto:pzmarghella@gmail.com), (Academic) [hsmlpdm@gwu.edu](mailto:hsmlpdm@gwu.edu)

Security Clearance: **Current U.S. Top Secret (SCI-Eligible)**

Education: Cardinal Spellman High School  
Bronx, New York

Frostburg State University  
Frostburg, Maryland  
(Bachelor of Science, History)

Central Michigan University  
Mount Pleasant, Michigan  
(Master of Science, Healthcare Administration)

United States Naval War College  
Newport, Rhode Island  
(Master of Arts, National Security and  
Strategic Studies)

Uniformed Services University of the Health Sciences  
Bethesda, Maryland  
(Graduate Certificate, Medical Effects of Chemical, Biological, Nuclear,  
Radiation, and High Explosive Weapons of Mass Destruction)

Harvard University  
Cambridge, Massachusetts  
(Executive Fellow, National Preparedness Leadership Institute,  
John F. Kennedy School of Government & T.H. Chan School of Public Health,  
Inaugural Class)

A.T. Still University of Health Sciences  
Kirksville, Missouri  
(Doctor of Health Sciences, Organizational Behavior and Leadership in Public  
Health Preparedness)

### **Employment History**

2020 - Professorial Lecturer, Massachusetts College of Pharmacy and Health Sciences  
Disaster Medicine and Public Health Preparedness  
Doctor of Health Sciences Program

2017 - Public Health Preparedness Subject Matter Expert

---

DCMC Partners

2017 - 2018 Special Advisor, Office of the Governor  
Special Assistant to the Secretary of Health  
Commonwealth of Puerto Rico  
San Juan, PR

2014 - 2016 Senior Advisor, Medical Planning and Preparedness  
International Medical Corps  
Washington, DC

2014 Director, Medical and Public Health Preparedness  
Non-Federal Program Manager for the National BLOWWATCH Program  
Hassett Willis and Company  
Washington, DC

2013 - 2014 Director, New York State Office of Emergency Management  
Albany, NY

2010 - Professorial Lecturer, Milken Institute School of Public Health  
The George Washington University  
Washington, DC

2009 – 2010 Special Advisor to Senior Leadership for Pandemic Response  
Operations Coordination and Planning Directorate  
U.S. Department of Homeland Security

2008 - 2013 Senior Partner, Disaster Preparedness Resources (DPR)  
Wilmington, NC

2005 - Visiting Faculty  
George C. Marshall Center for International Studies  
Disaster Medicine and Public Health Preparedness  
Program on Terrorism and International Security Studies

2005 - 2008 President & CEO  
Medical Planning Resources, Inc.  
East Windsor, NJ

2003 - 2005 Director, Medical Contingency Operations  
Office of the Secretary of Defense (Health Affairs)  
(Additional duty as Medical Plans and Response Advisor to the U.S. Secret  
Service and U.S. Department of Health and Human Services for National Special  
Security Events [NSSEs])  
The Pentagon  
Washington, DC

2001 - 2003 Chief, Medical Plans and Operations  
(Additional Duty as Senior Medical Plans & Response Advisor to POTUS  
aboard “Nightwatch,” National Airborne Operations Center) (NAOC)  
The Joint Staff (J4, Medical Readiness Division)

---

---

The Pentagon  
Washington, DC

1998 - 2001 Chief of Medical Plans and Intelligence  
(Additional Duty as Medical Plans & Response Officer, U.S. Special Operations  
Command Pacific/JTF-510)  
Commander-in-Chief, United States Pacific Command  
Camp Smith, HI

1997 - 1998 Student, College of Naval Command and Staff  
United States Naval War College  
Newport, RI

1995 - 1997 Medical Plans and Intelligence Officer  
(Additional duty as RED CELL Medical Officer)  
Office of the Chief of Naval Operations  
The Pentagon  
Washington, DC

1993 - 1995 Medical Plans and Intelligence Officer  
U.S. Sixth Fleet/Naval Striking and  
Support Forces/Allied Forces Southern Europe (NATO)  
Naples, Italy

1991 - 1993 Medical Administration/Radiation Health Officer  
USS ENTERPRISE (CVN-65)  
Norfolk, VA

1990 - 1991 Deputy Chief of Medical Plans and Operations  
Operation DESERT SHIELD/STORM  
Headquarters, U.S. Navy Central Command  
Manama, Bahrain

1988 - 1991 Head, Staff Education and Training  
Naval Medical Clinic  
Pearl Harbor, HI

1985 - 1988 Special Assistant to the Commanding Officer  
(Academic Affairs)  
National Naval Medical Center  
Bethesda, MD

**Significant Courses Attended**

Medical Management of Chemical and Biological Casualties, 1996  
Joint Medical Planners Course (Validating Class), 1993  
Plans, Operations, and Medical Intelligence (POMI) Officer's Course, 1993  
Strategic Medical Readiness and Contingency Course, 1993  
The Armed Forces Medical Intelligence Course, 1993  
The Medical Effects of Nuclear Weapons Course, 1992  
Radiation Health Officer's Course, 1991

---

Combat Casualty Care Course, 1989  
Designing Effective Programs for Medical Education, 1988  
Hospital Corps School, 1985

### **Personal Military Decorations**

Defense Superior Service Medal  
Defense Meritorious Service Medal (Bronze Oak Leaf Cluster in lieu of 2<sup>nd</sup> Award)  
Joint Service Commendation Medal  
Navy and Marine Corps Commendation Medal (Gold Star in lieu of 3<sup>rd</sup> Award)  
Joint Service Achievement Medal (Bronze Oak Leaf Cluster in lieu of 2<sup>nd</sup> Award)  
Navy Achievement Medal (Gold Star in lieu of 2<sup>nd</sup> Award)  
Office of the Secretary of Defense Identification Badge  
Joint Chiefs of Staff Identification Badge

### **Academic/Professional Achievements**

American Academy of Medical Administrators' Distinguished Service Award, 2000  
Finalist, The Walter P. McHugh Award, Outstanding Medical Logistician of the  
Armed Forces, Association of Military Surgeons of the United States (AMSUS), 1995  
Plankowner, Medical Service Corps Plans, Operations, and Medical Intelligence (POMI)  
Sub-specialty, 1992  
Sigma Iota Epsilon, National Graduate Honor Society in Administration, 1988  
Graduation with Highest Honors, Hospital Corps School, 1985  
Outstanding Battalion Graduate, Navy Recruit Training Command, 1985  
New York State Regent's Scholar, 1979

### **Courses Taught**

2020 – Present Massachusetts College of Pharmacy and Health Sciences  
Disaster Management (3 Credits)  
(Doctor of Health Sciences' Students)

2010 – Present The Milken Institute School of Public Health, George Washington University  
HSML 6245 Disaster Management for Healthcare Organizations (2 credits)  
(MHA & MPH Students)

2005 – Present George C. Marshall Center for International Studies, Program on Terrorism and  
International Security Studies  
Medical and Public Health Aspects of Incident Management  
(NATO International Officers, LT/CPT-O3 – COL/CAPT-O6)

2010 – 2014 School of Business, George Washington University  
MBAD 6290 Disaster Management for Healthcare Leaders (2 credits each)  
DE1&2 (Healthcare Executive MBA Students)

2005 – 2009 School of Public Health, Tulane University  
INHL 657 Medical Planning in the Era of Asymmetrical Threats  
(MPH & MD Students)

---

2003 – 2007    Uniformed Services University of the Health Sciences  
Classes Taught    Deliberate and Crisis Action Planning  
                          Medical Intelligence Collection, Analysis, and Dissemination  
                          The Generations of War  
                          Managing Catastrophic Casualty Events  
                          (1<sup>st</sup> - 4<sup>th</sup> Year Medical Students)

1996 – 2005    The Joint Chiefs of Staff, Joint Medical Planner’s Course (JMPC)  
Classes Taught    Introduction to Operational Medical Planning  
                          Deliberate and Crisis Action Planning  
                          Medical Intelligence Collection, Analysis, and Dissemination  
                          Using the Medical Analysis Tool (MAT) for Operational Planning  
                          (DoD Joint Medical Planners, LT/CPT-O3 – LTC/CDR-O5)

1995 – 2005    Naval School of Health Sciences, Plans, Operations, and Medical Intelligence  
                          Course  
Classes Taught    Course Overview: The Career Medical Planner  
                          Introduction to Operational Medical Planning  
                          Deliberate and Crisis Action Planning  
                          Medical Intelligence Collection, Analysis, and Dissemination  
                          (Navy & USMC Medical Planners, LT-O3 – CDR-O5)

## **Publications**

### **Books, National-level Plans**

*Puerto Rico 2017 Dual Hurricanes Response, Transition, and Recovery Operations Plan* (2017),  
Office of the Governor of Puerto Rico

*Department of Defense Support to Foreign Disaster Relief* (2011) (Book), Principal Author  
(ISBN # 978-16-088863-2)

*Federal Implementation Response Plan* (2009 H1N1 Influenza Pandemic), Special Advisor to  
Senior Leadership, White House National Security Council and U.S. Department of Homeland  
Security

*National Pandemic Response Operations Plan* (Response to H5N1 Influenza Pandemic Threat)  
(2006), Principal Author, U.S. Centers for Disease Control and Prevention (CDC)

*National Catastrophic Incident Response Plan* (Response to Domestic Nuclear Detonation)  
(2003), Principal Author, U.S. Department of Homeland Security/Federal Emergency  
Management Agency

*National Smallpox Response Plan* (2002), Principal Author, U.S. Department of Health and  
Human Services, Office of the Assistant Secretary for Public Health Emergency Preparedness  
(predecessor to the Office of the Assistant Secretary for Preparedness and Response)

---

### **Academic & Professional Presentations**

Featured Speaker, "The Complex Role of Public Health: Lessons from the Dual Hurricanes of 2017 in Puerto Rico." Florida Governor's Hurricane Conference, West Palm Beach, FL, 2018.

---

Guest Lecturer, “Biological and Chemical Terrorism.” College of International Security Affairs (CISA), National Defense University, Washington, DC, 2016.

Panel Member, Closing Plenary, “Planning for the Marathon and Not the Sprint: Building Disaster Mental Health Recovery into Preparedness Planning.” National Association of County and City Health Officials (NACCHO) National Public Health Preparedness Summit, Dallas, TX, 2016

Featured Speaker, “Enhancing Surge Capacity: A Non-Traditional Approach to a New Paradigm Demand.” National Association of County and City Health Officials (NACCHO) National Public Health Preparedness Summit, Dallas, TX, 2016

Panel Moderator, “Pandemics: What Does it Take to Respond Effectively?” The Global Health Council’s “The Future of Global Health” Conference, Washington, DC, 2016

Panel Member, “It’s Always 9-11: Are Disasters Increasing in their Frequency and Scope and Scale of Impact?” University of Montana’s Mansfield Center Program on “Innovation and Imagination in Global Health,” Missoula, MT, 2016

Panel Member in Plenary, “Public Health and Ebola: Resources for Global Response and Local Healthcare Readiness,” American College of Healthcare Executives (ACHE) 2016 Annual Congress, Chicago, IL, 2016.

Guest Speaker, “It’s Always 9-11: Are Disasters Increasing in their Frequency and Scope and Scale of Impact?” Uniformed Services University of the Health Sciences and the Center for Disaster and Humanitarian Assistance Medicine, Humanitarian Assistance and Disaster Response Student Interest Group, Bethesda, MD, 2016.

Workshop Facilitator, “The Fundamentals of Medical Planning.” 5<sup>th</sup> Annual National Healthcare Coalition Preparedness Conference, San Diego, CA, 2015.

Panel Member, “International Disaster Response: Lessons Learned from Medical and Public Health Non-Government Organizations and their Applications in Domestic Response.” Advancing and Redefining Communities (ARC) and Veterans Emergency Management Evaluation Center (VEMEC) Healthcare and Public Health Preparedness Conference, San Diego, CA, 2015.

Guest Speaker, “International Medical Corps and the Ebola Virus Disease Epidemic Response: Operational Challenges and the Way Ahead” and “Enhancing Surge Capacity: A Non-Traditional Approach to a New Paradigm Demand.” Emerging Infectious Diseases: Developing a Framework for Local Planning and Response, College of Southern Maryland, La Plata, MD, 2015.

Panel Member, “Ebola Epidemic Response.” Global Health Strategies for Security Course, Uniformed Services University of the Health Sciences and the Center for Disaster and Humanitarian Assistance Medicine, Washington, DC, 2015.

Guest Speaker, “International Medical Corps and the Ebola Virus Disease (EVD) Response in West Africa,” Washington, DC Volunteer Organizations Active in Disaster (VOAD) Meeting, Washington, DC, 2015.

---

Program Chair, “Immersion II: Leadership, Ethics, and Change.” Master of Health Administration Graduate Program, The George Washington University, Washington, DC, 2015

Guest Speaker, “International Response Needs: NGO Perspective.” National Institute for General Medical Sciences “Public Health Issues for Ebola: Modeling for Policy” Conference, Washington, DC, 2014.

Keynote Speaker, “It’s Always 9-11: Managing Catastrophic Casualty Events.” New York State Governor’s Conference on Emergency Preparedness, Albany, NY, 2013.

Guest Speaker and Panelist, “Disaster Management and its Impact on Development in Latin America and the Caribbean.” Florida International Summit, University of South Florida, Tampa, FL, 2013.

Panelist, “Nationwide Response Issues after an Improvised Nuclear Device Attack: Medical and Public Health Considerations for Neighboring Jurisdictions.” Institute of Medicine Workshop, Washington, DC, 2013.

Featured Speaker, “It’s Always 9-11: Managing Catastrophic Casualty Events.” BioDefense 2010 Conference, Washington, DC, 2010.

Keynote Speaker, “It’s Always 9-11: Managing Catastrophic Casualty Events.” The Joint Task Force National Capital Region (Medical) (JTF-CapMed) Emergency Management Conference, The Uniformed Services University of the Health Sciences, Bethesda, MD, 2010.

Keynote Speaker, “Pandemic Influenza: The Once and Future Threat.” The State of Ohio Annual Consortium of Hospitals Conference, Akron, OH, 2009.

Guest Speaker, “Response and Responsibility: Collaborating to Prevent or Contain a Pandemic.” Association of Americans for Civic Responsibility (AACR), The Maxwell School, Syracuse University, Washington, DC, 2009.

Guest Speaker, “Emergency Preparedness: What Have We Done and What’s Still Needed?” (Perspectives on Public Health Preparedness). The Woodrow Wilson School, Princeton University, Princeton, NJ, 2008.

Guest Speaker, “It’s Always 9-11.” Tennessee Emergency Management Agency (TEMA), Johnson City, TN, 2008.

Guest Speaker, “Managing Special Needs Populations in Complex Emergencies and Disasters.” State of Maryland Department of Health and Human Services, Wheaton, MD, 2008.

Featured Speaker, “The Next Pandemic: Are We Prepared?” Montana World Affairs Council, University of Montana, Missoula, MT, 2008

Guest Speaker, “Public Health and Healthcare Preparedness.” St. Patrick Hospital and Health Sciences Center, Missoula, MT, 2008

Keynote Speaker, International Association of Emergency Managers Region II 2008 Emergency Management Conference, Fair Lawn, NJ, 2008

---

Guest Speaker, “It’s Always 9-11.” “Every Crisis is a Human Crisis” Potomac Institute for Policy Studies Conference, Georgetown University, Washington, DC, 2008

Guest Speaker, “We Gotta Get it Right: Catastrophic Casualty Event Management.” The Central Intelligence Agency (CIA) Executive Leadership Forum, Langley, VA, 2008

Keynote Speaker, “Catastrophic Casualty Event Preparedness and Management.” South Carolina Hurricane and Disaster Management Annual Conference, Myrtle Beach, SC, 2008

Faculty, Uniformed Services University of the Health Sciences (USUHS) Program on Bioterrorism and Homeland Security, “Theories on Catastrophic Casualty Event Management,” Bethesda, MD, 2007

Keynote Speaker in Plenary, “We Gotta Get it Right: Catastrophic Casualty Event Management.” International Association of Emergency Managers (IAEM) Annual Conference, Reno, NV, 2007

Keynote Speaker, “Thinking the Unthinkable: Planning for Catastrophic Casualty Events.” American College of Contingency Planners (ACCP) Annual Conference, San Diego, CA, 2007

Guest Speaker, “Medical Management of Disasters” Conference, Washington, DC, 2007

Keynote Speaker, State of Florida “Homeland Security Training Summit,” Fort Myers, FL, 2007

Panel Chair: “Saving Lives: Emergency Preparation and Response for Special Needs Populations.” American Military University Conference on “Homeland Security: The Ripple Effect” Washington, DC, 2007

Guest Speaker, United States Northern Command Conference on Catastrophic Casualty Management, Colorado Springs, CO, 2007

Guest Speaker, International Association of Emergency Managers (IAEM), Orlando, FL, 2006

Guest Speaker, 115<sup>th</sup> Annual Meeting of the Association of Military Surgeons of the United States (AMSUS), San Antonio, TX, 2006

Keynote Speaker, 2<sup>nd</sup> Annual Ohio Public Health Preparedness Symposium (Sponsored by the Kent State University Center for Public Health Preparedness), Kent, OH, 2006

Keynote Speaker, Northeastern Ohio Universities College of Medicine Symposium and Table-top Exercise on Pandemic Influenza, Rootstown, OH, 2006

Panel Participant and Guest Speaker, National Association for Homecare and Hospice Conference “Thinking the Unthinkable: Evaluating U.S. Pandemic Preparedness: Anticipating the Special Role of Homecare and Technology,” Washington, DC, 2006

Keynote Speaker in Plenary, National Association of City and County Health Officials “Public Health Preparedness Summit,” Washington, DC, 2006

Panel Moderator and Guest Speaker, “Emergency Preparedness and Communications - Lessons Learned from Hurricane Katrina” (Conference), Washington, DC, 2005

---

Keynote Speaker, “Enhancing the Medical Community’s Role in Complex Emergency and Disaster Preparedness,” Oregon State University’s Corporate Partners Forum, Corvallis, OR, 2005

“Medical Planning in the Era of Asymmetrical Threats,” (Graduate Program Class) Tulane University School of Public Health, Department of International Health and Development, New Orleans, LA, 2005

Keynote Speaker, Illinois College of Emergency Physicians Conference “On Our Watch: Bioterrorism and Surge Control in the Emergency Room,” Chicago, IL, 2005

Guest Speaker, The National Disaster Medical System (NDMS) Conference, Orlando, FL, 2005

Keynote Speaker, American College of Healthcare Executives (ACHE) Annual Conference (Association of University Programs in Healthcare Administration (AUPHA) sponsored session on “The Healthcare Administrator's Role in Responding to Complex Disasters”), Chicago, IL, 2005

Guest Speaker, “The Medical Aspects of Consequence Management Conference,” Washington, DC, 2005

Keynote Speaker, “Program on Terrorism and Security Studies,” George C. Marshall Center for Security Studies, Garmisch, GE, 2005

Guest Speaker, State of Montana Hospital Association Annual Meeting, Billings, MT, 2004

Keynote Speaker, “Defense Medical Procurement Conference,” Baltimore, MD, 2004

Guest Speaker, Department of Homeland Security “Homeland and Global Security Summit,” Washington, DC, 2004

Guest Speaker, American Legislative Exchange Council “Conference on Homeland Security,” Scottsdale, AZ, 2003

Guest Speaker, “National Security Summit 2,” Tampa Bay, FL, 2003

Guest Speaker, United States Special Operations Command “International Conference on Terrorism,” MacDill AFB, FL, 2003

Keynote Speaker, San Diego County Medical Society “Conference on Bioterrorism Preparedness Training,” San Diego, CA, 2003

Guest Speaker, The Joint Commission on Accreditation of Health Care Organizations’ “Symposium on Emergency Management,” Washington, DC, 2002

Guest Speaker, Canadian Conference on International Emergency Preparedness, Toronto, Canada, 2002

Visiting Lecturer, the Joint Operations Medical Managers Course (JOMMC), the Defense Medical Readiness Training Institute (DMRTI), 1999-2005

---

Hospital-wide Grand Rounds, Tripler Army Medical Center, “Joint Medical Support in Operations DESERT SHIELD/STORM,” Honolulu, HI, 1991
