Background
Minors have been established within the University to provide opportunities for formal inter-
school study. Students must be enrolled in a degree program and must be in good standing to be
eligible to take a Minor in another school. The Minor Fields generally consist of 15-21 credits of
prescribed courses, depending on the Field. Upon successful completion of all requirements, the
title of Minor Field of Study and the courses taken in support of the Field are entered on the
student’s transcript.

Minor in Nutrition
The Milken Institute School of Public Health (SPH) offers a Minor in Nutrition through the
Department of Exercise and Nutrition Sciences. Students completing the minor in nutrition gain
a deeper understanding of the science of nutrition. The Milken Institute SPH Minor in Nutrition
consists of 15 credit hours. This Minor provides a strong foundation in nutrition across the
lifespan, in sport and in public health. Requirements: 2.5 cumulative GPA or above. BS,
Exercise Science students are not eligible to minor in Nutrition.

To Add or Drop a Minor and to Change the Original Minor Program of Study
Please see the SPH Minor Program Advisor for information, admission to the minor, to drop the minor,
for assistance in the selection of the elective course and to amend the courses on the original program of
study. GW’s SPH will not process requests to add a Minor in Nutrition during the registration period. All
transactions require the Application for Undergraduate Minor form and signatures.

I have studied the requirements for the minor and understand what I must do to meet them. Any changes to the proposed coursework must have written approval for the secondary field department. A copy of this approval must be submitted to the Milken Institute SPH Office of Student Records, 950 New Hampshire Ave, 2nd Floor.

Student’s Signature _____________________________________ Date __________________

Requirements for the minor must be completed either during or prior to the semester you will graduate.

Approval of the Minor Field School _______________________________ Date__________________
                 Signature

Approval of the Home School _______________________________ Date__________________
                  Signature

Distribution Procedure: It is the student’s responsibility to distribute the forms after obtaining approvals.
