**SUMMER INSTITUTE**

**EARN 1 CREDIT HOUR IN ONLY 5 DAYS!**

**UNDERSTANDING COMMERCIAL DETERMINANTS OF HEALTH**

Are you interested in global health, concerned about the rapidly growing burden of **non-communicable diseases** and injuries and curious to learn about the new concept of commercial determinants of health (CDH)? Join us as we focus on risks like alcohol, the consumption of processed foods/beverages, and more!

This course will allow you to explore CDHs and their drivers, appreciate how they impact global health and discuss effective approaches for addressing them.
