MILKEN INSTITUTE SPH ONLINE POSTER PRESENTATION OPTION (Himmelfarb Portal):

CHECKLIST:

- Get mentor/advisor approval and submit abstract by Sunday, February 28, 2016 at [http://research.gwu.edu/research-days-2016](http://research.gwu.edu/research-days-2016) - click on March 30, 2016 tab and then click on Abstract Submission Form, at the end of the form please respond to the question for Milken Institute SPH students with “Online video presentation through the Himmelfarb portal.”

- Follow the poster guidelines and tips for creating posters, see Poster Guidelines - [http://research.gwu.edu/research-days-2016](http://research.gwu.edu/research-days-2016)

- Use the Milken Institute SPH templates for your poster (48”x48” or 48”x36”) [http://publichealth.gwu.edu/research/proposal-and-resources-portal](http://publichealth.gwu.edu/research/proposal-and-resources-portal)

- Name your faculty mentor on your PowerPoint poster presentation.

- Create a video presentation of your research. It should be no more than 3 minutes in length and formatted; preferably as MP4 (one option is to narrate PowerPoint slides or you may be more creative!) or a YouTube channel.

- Be sure to state your name, presentation title, and degree program at the very beginning of your video (this time will not counted toward your 3-minute limit). If possible, please use close-captioned narrative (text) to accompany your audio.

- Submit your poster template and your video presentation by Wednesday, March 23 at [https://himmelfarb.gwu.edu/researchdays/](https://himmelfarb.gwu.edu/researchdays/).

Here are some examples of rapid video presentations:

- NSF Graduate Research Fellows Video Contest
- Vitae Finalist Presentations from Three Minute Thesis Competition
