## GRANTS

### ***Awarded/Pending***

The Bill & Melinda Gates Foundation. *Impact of Digital Behavior Change Interventions to Reduce Vaccine Hesitancy in Nigeria.*

Principal Investigator: William D. Evans

Co-Investigator

Awarded June 2021

The Center for Social Well-Being and Development, Long Term Arrangement (LTA) for global provision of Communication for Development (C4D) Strategic Support Services from 2014- 2017 to strengthen UNICEF's programming and humanitarian actions:

Co-Investigator.

Submitted: January 2014, Awarded April 2014.

Objective: Long Term Arrangement (LTA) with UNICEF initially for a period of 3 years with the option for renewal for 1+1 years at the sole discretion of UNICEF.

### ***Concluded***

Sick Kids Centre for Global Child Health. *Case Study Analysis of the Implementation and Delivery of Reproductive, Maternal, Newborn, Child, and Nutrition (RMNCH & N) Interventions in Nigeria.* Ron Waldman, Principal investigator

Co-Investigator

Awarded Summer 2018

District of Columbia Center for AIDS Research (DC CFAR). *Africans in China; Pioneers in a New Trend in Global Migration.*

Principal Investigator (2017)

Awarded Summer 2017

World Health Organization. Project Title: *Eradicating wild polio viruses in Nigeria: A strategic communications-centered approach for research and training:* Amount of request: \$ 628,727.

Submitted: January 2010, Awarded

November 2010. Co-Investigator

Objective: This proposal advocates an ecologically based strategic communications approach for research and training in 2 of 11 northern states of Nigeria where containment of wild polioviruses (WPVs) remain problematic.

African Studies Strategic Travel Grant.

Project Title: *"Preventing HIV/AIDS Mother to Child transmission in Northern Nigeria"*.

Co-Principal Investigator.

Amount of request: \$4000.

Submitted: February 2010, Awarded March 2010.  
Objective: Travel grant to complete formative research

African Studies Strategic Travel Grant.

Project Title: *“Moving to the Next Stage: the Strategic Partnership between MSU and UCAD”* Co- Principal Investigator.

Amount of request: \$4800.

Submitted: March 2009, Awarded April 2009.

Objective: To assess strategic partnership between MSU and UCAD

Michigan Nutrition Network at Michigan State University

Extension. Project Title: *Parent Child Communication about Nutrition.*

Submitted: January 2009, Amount of request:\$97,201Awarded:

April 2009 Principal Investigator

Objective: To study parent child communication about nutrition

The Pennsylvania State University School of Liberal Arts College Dissertation Support Competition.

Dissertation Title: When Soutoura (Dignity, Respect, and Privacy) Matters Most: Understanding HIV/AIDS Stigma in the Family Context in Senegal”

Amount of request: \$2,000, Award decision: \$2000 Awarded: Fall 2007
